

Instructions for finding relevant needed spare part for any Einhell device (e.g. TC-AG 125)

1. Please prepare model name, article number, ident. number. On the device itself (a sticker like one on the picture bellow) model name and article number can be found. Either one of these two could be used together with identification number (I.-Nr.).

TC	AG 125 ukeischieiter EE im	hell		
	- 230 V - 50 Hz # 850 W		• 🐨 M14 00 min ⁻¹	
	Bj./Lot-Nr.:	2016/02	HR-15-2202	1 11
	ArtNr.:44.30 ISC GmbH Eschenst 94405 Lan www.isc-9	06.19 raβe 6 idau/Isar gmbh.info		1014 e in P.R.C.(01)

- 2. Go to <u>www.isc-gmbh.info</u>
- 3. Choose language (current options are German and English)

4. In the search box, in the upper right corner of the page, type either model name or article number (both could be found as described under step 1).

5. Search results (model TC-AG 125, article number 44.306.19, ident. nr. 11014):
